Pick one of the topics for each book and write an essay in at least 150 words. You can pick the same topic for each book if you would like. This means you will have two essays with you on the first day of school. We will discuss both books in class and you will be tested on the material. It might prove beneficial to have copies of the book for the first two weeks of school.

1. Write a review of your book and rate on a scale of 1 to 4 stars with 4 stars being great.
2. Choose one character from the book and write about a trait of the character that you find admirable.
3. Write about what changes you might make to the ending of the book.
