

Welcome Saint Mary's families!!

**SMCS: Yearbook & Class Photo Day: 10/10/2018**  
**Makeup Day: 11/07/2018**

Real Life Photography and Events is pleased to once again be a part of the Saint Mary's Catholic School family! For those not familiar with our studio and our school photography program we wanted to share a few tips to help make sure you do not miss out on that precious pictures of your student!

Remember this URL: <http://reallife.hhimagehost.com/smcs>

#### **Yearbook Photos: (All Grades)**

- 1) All students are required to take their photo, if they are in attendance on picture day and/or makeup day we will get their photo, no need to worry.
- 2) All photo orders are prepay, either paper form with a check or online ordering (we highly recommend, your order will not get lost in their backpack) and all orders will be returned to the school to be sent home with the students.
- 3) Please make a separate order transaction for each student. During the checkout process, you will enter your student's information and Homeroom.
- 4) All students will receive a Photo ID from their picture taken. If you are unsure of your student's expression, you can see that and then decide to order or retake.
- 5) All orders placed AFTER initial photo day will be processed with Makeup pictures.
- 6) We do offer a Final Call for school pictures, these are posted online with a password for each student. These usually are posted after Winter break, have a different price list, and Class photos are no longer available. The orders will be processed and shipped directly to the address you provide.

#### **Class Photos: (ALL Students)**

- 1) Class photos are taken on Yearbook photo day.
- 2) To purchase your student's Class photo, it is included with some of our packages and is option "O" for Al a carte.
