

Making learning **FUN**  
with LEGO® Bricks!!

**St. Mary's**  
**After School Enrichment**

**Bricks 4 Kidz: Engineering with motorized LEGO® Bricks**

Have your child stay for a Bricks 4 Kidz LEGO® class after school. Our fun-filled model plans designed by engineers and architects, teach children to learn with LEGO® Bricks. Using axles, gears, motors, and bricks, our project kits motivate children by reinforcing S.T.E.M. based principles while enhancing self-esteem, improving fine motor skills, and teaching important classroom lessons such as organization and following directions. Our models are either kid-powered or fully motorized. We will build vehicles, contraptions, inventions, animals and much more.

Come join the fun.....LEGO Bricks Style!

All New Builds!!

April 9th- May 14th

Mondays

3:00pm-4:00pm

Grades: 1st-5th

Cost: \$65.00
