

Saint Mary's Catholic School Summer Camp 2020 Offerings

July 13-17, Monday-Friday

- ❖ **Bourne to Create with Tracey Bourne** **9:00am-12:00pm Grades K-4**
12:30pm-3:30pm Grades K-4
Cost: \$165 *There is a \$15 materials cost included with this camp.

Bourne to Create will be a fun way to explore the Arts and Crafts side of Fine Art. Your child will learn about artists that express themselves through such mediums as quilting, puppetry, and printing, to name a few. Then, using paper and recycled materials as our main tools, students will make their own works of art to bring home daily. Your child will also be encouraged to use their imaginations in several fun drawing exercises throughout the week. On Friday, to end the week, we will celebrate Christmas in June and make some fun decorations while looking at artists that portray the Christmas season in their work. If your child loves creating, this camp will be the perfect environment for them to express themselves this summer! Note: This camp can get a little messy. Please wear appropriate clothing.

- ❖ **Champion Chess & Board Games with Brian Garbera** **9:00am-12:00pm Grades K-5**
12:30pm-3:30pm Grades K-5
Cost: \$150

Enjoy playing board games (Backgammon, Connect 4, Farkle, Phase 10, Q-bitz, Rack-O, Set, Sorry and Trouble) while learning board game strategies and skills including: Logic, Goal Planning, Critical Thinking, Focus, Attention, Resource Management and Negotiation. Note: Based upon sign-ups, several MS students may be needed as assistants. Please email your interest to jsouthworth@saintmary.org; first come, first served.

- ❖ **Bricks for Kidz & Itty Bitty Yogis Combo Camp** **9:00am-12:00pm Grades JK-5**
Cost: \$150

Your child will balance BODIES AND BRAINS in this combo camp from Bricks 4 Kidz and IBY! Our specially designed collaborative camp combines the best of Bricks 4 Kidz's design and build challenges and IBY's yoga-play and mindfulness practices. During each camp day, students will build vehicles, contraptions, inventions out of LEGO bricks that are kid-powered or motorized. While exploring engineering, architecture and physics, students will develop problem solving and critical thinking skills. Then, we will get them moving with yoga-play and mindfulness games. Children will run, jump and downward dog while practicing yoga poses and learning age appropriate mindfulness skills. Sign up today for this unique camp designed to stretch your child's body and brain!

❖ **Martial Arts with the Budo Center**
Cost: \$150

9:00am-12:00pm Grades JK-2
12:30pm-3:30pm Grades 3-5

Be part of a fast-paced modern martial arts curriculum led by masters from The Budo Center. Learn basic punches, kicks, blocks and combinations that help build coordination, strength and flexibility. Practice self-control and gain confidence while displaying a positive attitude about yourself and others. All while having FUN! Note: Enrollees will also learn about martial arts traditions as well as the importance of good sportsmanship and will not be physically active during the entire 3 hours.

❖ **Musical Island Fun**
Cost: \$165

9:00am-12:00pm Grades JK & K

*There is a \$15 materials cost included with this camp.

Every week-long camp is different and is filled with new activities, instruments, and adventures on the island!! With the theme "Island in the Sun," students will be introduced to basic music concepts, strong/weak beats and instrument recognition as they play their music with help from tropical animals and pirates. Come join the "cha cha" fun with us!

Level: Beginner

❖ **Guitar Fundamentals**

12:30pm-3:30pm Grades 2-5

Cost: \$165 *There is a \$15 materials cost included with this camp.

Get started with the fundamentals of guitar, music and rhythm in one week! This camp features fun activities, group practice and other introductory lessons in guitar. Participants will learn to play together, performing songs as an ensemble. Other topics covered include music appreciation, rhythm essentials, and music theory.

Level: Beginner
